1. Mathematics & Cognitive Logic

We move beyond simple counting to build a strong logical foundation using visual models.

- **Number Sense:** Counting numbers (1 to 100), Number names, Before/After/Between concepts, and Greater/Smaller comparisons.
- **Arithmetic Operations:** Introduction to Addition and Subtraction using real-world objects and animated visuals.
- **Geometry & Space:** Recognizing 2D and 3D shapes, understanding spatial relationships (top/bottom, inside/outside).
- **Measurement & Time:** Reading basic time (O'clock), understanding days of the week and months, basics of length and weight.
- **The TightLip Edge:** Pattern recognition puzzles and introductory Mental Math techniques to boost calculation speed.

2. Environmental Studies (EVS)

Fostering curiosity about the world around them through storytelling and 3D concepts.

- **Self & Society:** "All About Me", understanding Family Trees, School life, and Neighborhood helpers.
- **Nature & Surroundings:** Exploring the plant life cycle, types of animals (domestic vs. wild), and basic seasons.
- **Health & Safety:** Importance of good habits, personal hygiene, healthy food vs. junk food, and basic road safety rules.
- **The TightLip Edge:** Virtual field trips and animated science experiments to make EVS highly engaging.

3. English Fluency & Phonics

Building a generation of confident communicators right from Grade 1.

- **Phonics & Reading:** Mastery of vowel sounds, consonant blends, and fluent reading of sight words and short sentences.
- **Grammar Basics:** Introduction to Nouns (Naming words), Verbs (Action words), Adjectives (Describing words), and Pronouns.
- **Creative Writing:** Guided picture composition and framing correct 3-to-4 word sentences.
- **The TightLip Edge:** Dedicated "Speak-Up" modules for stage-fear removal, active listening exercises, and basic elocution.

4. Hindi Literature (संस्कृत)

Ensuring a strong grip on our mother tongue with correct pronunciation.

- **Varnamala:** Complete recognition, reading, and writing of Swar (Vowels) and Vyanjan (Consonants).
- **Matra Gyan:** Introduction to simple Matras and forming two-letter, three-letter, and four-letter words.
- **Reading & Recitation:** Engaging Hindi stories (Kahaniyan) and rhythmic poetry (Kavi-tayen) to build reading habits.

5. TightLip Exclusive: Future Leaders Module

Skills that traditional schools miss, taught appropriately for a 6-year-old's mind.

- **Early Financial Literacy:** Understanding Needs vs. Wants, the concept of a Piggy Bank (saving), and identifying Indian Currency (Coins & Notes).
- **Personality & Etiquette:** Greeting elders politely, table manners, showing gratitude (Thank You/Sorry), and healthy emotional expression.

Note: This syllabus is strictly aligned with the latest NCERT & CBSE guidelines, heavily enhanced with TightLip's proprietary skill-building modules.
